| 1/7/2012 | 11:08 | Steve Jennings | 2006 Hollyhock Ct | E-mail | Skydive | S | Mile Hi skydiving twin engine Beech extended and excessive noise during lift and decent. | Logged the complaint |
| 1/7/2012 | 11:50 | Zach Williams | 10901 Airport Rd | E-mail | General | G | This aircraft is nuisance to everyone living around the airport. This aircraft has passed over our land more than a dozen times now and continues to do so even still. I'm not sure if it is a pilot test or what it is but it has to stop flying over our house or I will be filing more complaints. | Logged the complaint |
| 1/8/2012 | ? | Nick Mastronardi | 8839 N. 83rd Street | E-mail | Skydive | S | Register for today | Logged the call |
| 1/8/2012 | 16:32 | Steve Jennings | 2006 Hollyhock Ct | E-mail | Skydive | S | Please register my complaint against Mile Hi Skydiving twin beech aircraft making ALL DAY noise, including at sunset today. Excessive noise, the only aircraft noise all day. | Logged the complaint |
| 1/15/2012 | ? | Kim Gibbs | Gunnbarrel | e-mail | Skydive | S | Register a complaint | Logged the complaint |
| 1/15/2012 | 11:30 | Kathy Hollister | 6124 Trevarton Drive | e-mail | None given | G | Low flying plane not turning over lake at 65th street, but over my house. Why do they fly over my property. | E-mailed her back a response and a copy of the NAP map and explained that her house is in the general area of the traffic pattern. |
| 1/15/2012 | 18:06 | Kim Gibbs | 7468 Mt. Sherman Rd | email | General | G | This is a test message. Several members of Citizens for Quiet Skies have notified me that their noise complaints registered via this online complaint form were not recorded on the official complaint log. Does this form generate a confirmation via email? I would like to know why complaints made via this forum are not being registered. | Marked "no" in contact requested. Logged complaint |
| 1/17/2012 | 11:30 | Tracy Spencer | Niwot | 588-6127 | Skydive | S | Flying too low and noisy. | Called Tracy back to discuss the situation and provide her information about Mile-Hi and the NAP. |
| 1/20/2012 | 9:25 | Steve Miller | 10594 N. 65th St | 684-0885 | General | g | Aircraft doing touch and go's over house non stop and pilots not being mindful. No need to call back, wanted to register the complaint. | Logged the call |
| 1/20/2012 | 10:28 | Steve Jennings | 2006 Hollyhock Ct | E-mail | Skydive | S | Register a complaint | Logged the complaint |
| 1/21/2012 | 15:30 | Nick Mastronardi | 8839 N. 83rd Street | E-mail | Skydive | S | Register for today | Logged the call |
| 1/21/2012 | 11:44 | Steve Jennings | 2006 Hollyhock Ct | E-mail | General | G | repeated low level approach over consistently same pattern with repeated climb noise no-stop today. | Logged the complaint |
| 1/26/2012 | 7:50 | Teresa Foster | 712 Thornwood Way | E-mail | Helicopter | H | Woken up by helo practicing at the airport and causing a roar. | Logged the call |
| 1/28/2012 | 10:10 | Maria Lawson | 10594 N. 65th Street | 682-9594 | General | g | Person doing T&G's and made about 15 passes in the past hour. Stop drilling my house and call me back. | I reviewed the radar. There were no airplanes doing T&G's, however it was very busy with about 20 aircraft during that time period. I called her back and advised her what I found and being close to the airport there is not much I can do. |
| | 13:00 | Susan | 342 Sherman Street | 641-6632 | White single engine | G | Small plane flying back and forth over old town. Inside with windows closed and can still hear it. How do I get it stopped. | I used Web Track and was unable to identify the a/c. I called her back and explained our NAP and that this incident would be sent out in our regular NAP update to airport users. Also Web Trak showed 6 aircraft in that time span and all were at the appropriate altitude. |
