

AGENDA AIRPORT ADVISORY BOARD CITY COUNCIL CHAMBERS CIVIC CENTER COMPLEX, 350 KIMBARK ST. FEBRUARY 12, 2015 6:00 P.M.

REGULAR MEETING

	II		~ .	
Ί.	(.aii	TO	Ordei	^

- 2. Roll Call
- 3. Adjustments to the Agenda as Needed
- 4. Public Invited to be Heard
- 5. Approval of the Minutes from January 8, 2015
- 6. Old Business
 - A. None
- 7. New Business
 - A. Update on selection of a new Airport Manager
 - B. Review and accept the 2015 Noise Complaint Log
 - C. Review and discuss current airport projects and any action in connection thereto including, but not limited to the following:
 - i. Perimeter fence project and related signage
 - ii. Airport rules and regulations
 - iii. Lease agreements
 - iv. Wi-fi on east end of airport
 - v. Taxiway paving project
 - vi. Miscellaneous maintenance projects
 - vii. Elite Aviation Fuel Farm
 - viii. Potential UAS/USA Certificate of Authorization
 - D. Requests of AAB members for future agenda items
- 8. Public Invited to be Heard
- 9. Board, City Council Representative and/or Staff Comments
- 10. Adjourn

MINUTES AIRPORT ADVISORY BOARD **JANUARY 8, 2015** Call to Order The January 8, 2015, Airport Advisory Board meeting was called to order by Chairman Don Dolce at 6:00 p.m., in the City Council Chambers. **Roll Call** Recording Secretary Linda Meade called roll. Members present: Wayne Wohler, Don Dolce, Louis DaHarb, Dale VanZant, Kurt Gattmann, Dan Berry, Danny Hanie, and Council Member Santos. Staff present: Airport Manager Tim Barth, Airport Manager, Assistant City Manager Shawn Lewis and Recording Secretary Linda Meade. **Approval of Meeting Minutes** Chairman Dolce asked for discussion or a motion to approve the August 14, 2014, meeting minutes. Motion BOARD MEMBER VANZANT MADE A MOTION TO APPROVE THE AUGUST 14, 2014, MEETING MINUTES AS SUBMITTED. **BOARD MEMBER DAHARB** SECONDED THE MOTION. **Additional Discussion of the Motion** No additional discussion. Vote **MOTION CARRIED: 7-0 Introduction of New Board Members** New board members Dan Berry and Kurt Gattmann were introduced and both spoke briefly about their back ground. **Adjustments to the Agenda** No adjustments to the agenda.

Public Invited to Be Heard

Chairman Dolce opened the Public Invited to Be Heard.

Anita Bragg, 2509 Elmhurst Place. Ms. Bragg is the owner of hanger 14B and wanted to thank Tim for all his service. She said he has always had the interest of the airport and the pilots at heart.

Howard Morgan, 1932 Amethyst Drive. Mr. Morgan is disappointed in the Board that no one came down to see what was happening as the fence was being built. Now that it is done it is a mess, mainly from the skydivers. They are problematic for the ramp, getting gravel on the ramp. He said security is a joke, people who are the most likely to cause trouble have free access to the

Airport from. He also wanted to thank Tim for all his ideas. He will miss him.

 Ron Krenzel, 1219 N. 61st, Longmont. Mr. Krenzel commented that he hates to see Tim leave, but it is good. He felt the Board has slowed down and has not met much. He felt that the Board should be involved in the selection of a new airport manager. He asked if anyone in the City really has knowledge about the airport. He is disappointed that the vision from the Master Plan has disappeared. It is "our" responsibility to keep the energy at the Airport going. He likes the

fence and the gates. It's a turning point and we should take advantage of it, it's a new start.

No one else wished to speak.

24 Chairman Dolce closed the Public Invited to Be Heard.

Old Business

None.

30 New Business

1. Election of Chairperson

BOARD MEMBER VANZANT MADE A MOTION TO NOMINATE DON DOLCE FOR CHAIRPERSON 2015. BOARD MEMBER DAHARB SECONDED THE MOTION.

There were no other nominations.

<u>Vote</u>

THE NOMINATION OF DON DOLCE AS CHAIRPERSON WAS APPROVED BY A VOTE OF 7-0.

Election of Vice Chairperson

46

BOARD MEMBER HANIE MADE A MOTION TO NOMINATE DALE VANZANT AS 1 VICE CHAIRPERSON. BOARD MEMBER BERRY SECONDED THE MOTION. 2 3 4 There were no other nominations. 5 6 **Vote** 7 8 THE NOMINATION OF DALE VANZANT AS VICE CHAIRPERSON WAS APPROVED BY A VOTE OF 7-0. 9 10 2. Meeting Time, Date, and Posting 11 12 13 Motion 14 BOARD MEMBER GATTMANN MADE A MOTION TO HOLD THE AIRPORT 15 16 ADVISORY BOARD MEETINGS THE SECOND THURSDAY OF THE MONTH AT 6:00 P.M. IN CITY COUNCIL CHAMBERS. **BOARD MEMBER VANZANT** 17 SECONDED THE MOTION. 18 19 20 Vote 21 22 **MOTION CARRIED: 7-0** 23 24 **Posting Location** 25 26 Motion 27 BOARD MEMBER VANZANT MADE A MOTION TO CONTINUE POSTING THE 28 29 AGENDA ON THE WEST SIDE OF THE CIVIC CENTER. **BOARD MEMBER** DAHARB SECONDED THE MOTION. 30 31 32 Vote 33 **MOTION CARRIED: 7-0** 34 35 3. US Department of Agriculture Airport Report 36 37 38 Airport Manager Barth said the USDA is on contract with the Colorado Department of Transportation (CDOT) to do wildlife hazard assessments at Colorado airports. They are about 5 39 months into an assessment at Longmont airport and will be giving some of their observations. 40 41 Jason Kougher, Wildlife Biologist with the USDA Wildlife Services spoke to the board. Mr. 42 Kougher said the assessment is a twelve month ecological study of wildlife use of the airfield as 43 well as a five mile radius of offsite hazards. He states the assessment will conclude in August of 44 45 2015.

Airport Advisory Board January 8, 2015 – Minutes Page 4

- 1 Mr. Kougher presented the observation report on animal species at the airport. He states he has
- observed 44 different wildlife species, bird and mammal, including humans, at the airport. He 2
 - commented that he observed older couple walking on the taxiway.

3 4

- 5 Kendra Cross passed out a CertAlert to the board members. Ms. Cross said the purpose of the
- CertAlert is to give recommendations. She said when the wildlife recommendations are made 6
- 7 they are based on the airport needs and responsible management. If something were to happen, it
- could be catastrophic. The current fencing around the airport is adequate for larger animals and 8
- pedestrians, but is not going to keep off wildlife 100 percent. She said the FAA will appreciate 9 10
 - the due diligence in trying to keep wildlife out of the airport.

11 12

Ms. Cross states it has been great working with Airport Manager Barth on this project.

13 14

Motion

15 16

17

- BOARD MEMBER VANZANT MOVED TO RECOMMEND THE MAYOR SIGN THE LETTER AS IS AND TO CONTINUE TO USE THE USDA. BOARD MEMBER
- WOHLER SECONDED. 18

22 **MOTION CARRIED: 7-0**

23 24

4. UAS/USA Lease

25 26

- Mr. Barth introduced the agenda item. He states in the past three days there has been some
- 27 grumblings that have come out of FAA headquarters in Washington D.C. FAA was under
- congressional mandate to have UAV rules and regulations in place by 2015 and 2017 and FAA 28
- 29 told congress the mandate was unfair. All commercial operations will still have to be flown
- under a COA, however the FAA has started to allow 12 different companies commercial use of 30
- 31 UAV with a COA and they do not have to be sponsored by a government agency.

32

- 33 Skip Miller, CEO of UAS-USA, introduced his company. They are a commercial drone
- company that he started five years ago in Colorado. He went through a presentation with the 34
- 35 board about the company and equipment. He states he has been blown away by the reception
- from the city of Longmont. He thanked Airport Manager Barth for supporting their company. 36
- 37 Board questions answered at this time.

38

39

- CHAIRMAN DOLCE MADE A MOTION TO APPROVE THE LEASE AS PRESENTED 40
- 41 AND FORWARD TO CITY COUNCIL FOR FINAL ACTION. BOARD MEMBER
- 42 WOHLER SECONDED.

43

44 **Vote**

Motion

MOTION CARRIED: 7-0

5. Elite Aviation Annual Report

 Brian Pickerell, General Manager of Elite Aviation, gave a report to the board on activities over the last year. All went well with the transition from the old Air West business. They are continuing the remodel the office after delays due to the flood. He talked about the staff and what a good team he has. They have added line service with someone available seven days to help with fueling and answer questions. Mr. Pickerell said they will continue to promote the flight simulator and will be promoting the community movie night in the summer. The have joined the Longmont Chamber of Commerce and were active with the flood operations and recovery.

Mr. Pickerell spoke about some things they would like to do this year. He states they would like to have a courtesy car available to people flying in, get a twin aircraft for training, a ground power unit for corporate jets, de-icing equipment, and work on line staff training for emergencies and other activities. He said they would also like to get some signage for their business and a sign at the entrance of the airport to direct people around the airport. They are also looking at the probability for mountain flying seminars.

Mr. Pickerell said some things the City and the airport could do to help them are a longer runway, help with the business community to encourage flights coming in, getting a snow plow for the airport or plow the runway sooner, and equipment for braking action.

Board discussion and questions.

27 Mr. Pickerell thanked Airport Manager Barth for all his assistance and he will be missed.

Motion

BOARD MEMBER MADE A MOTION TO ACCEPT THE VARIOUS PERTINANT PARTS OF THE REPORT FOR THE AIRPORT ANNUAL REPORT AND FORWARD TO CITY COUNCIL. BOARD MEMBER HANIE SECONDED THE MOTION.

Vote

MOTION CARRIED: 7-0

6. Elite Aviation Fuel Farm Proposal

Airport Manager Barth states Elite Aviation is in the process of moving forward with a new fuel farm proposal.

Sherry Binkley and Todd Frickin are with F&D International in Boulder. They are the architects working with Elite Aviation on this project. Mr. Frickin said a goal for Elite was to look into a new fuel dispensing system. The current system is an underground tank and they want to

Airport Advisory Board January 8, 2015 – Minutes Page 6

increase their fuel capacity and eliminate the underground tank. They have identified two possible locations. He said they did look at available data regarding the volume of fuel that has been sold to determine the size of the tanks needed. He said they also wanted to be sure the aircraft could pull up to the fuel pump without blocking the taxiway and be able to have aircraft also "que" up. They are looking for comments from the board before they draw up full construction plans for the project.

Board discussion and questions.

Airport Manager Barth explained the approval process for the design plans.

Motion

CHAIRMAN DOLCE MADE A MOTION TO PRESENT THIS CONSTRUCTION DESIGN REQUEST TO THE COUNCIL FOR OFFICIAL REVIEW. BOARD MEMBER HANIE SECONDED THE MOTION.

Vote

MOTION CARRIED: 7-0

7. CDOT-A Grant Program

Airport Manager Barth states all 76 airports in Colorado were notified that the Division of Aeronautics had misplaced 12 million dollars in grant funding to airports. He said there is only 3 million dollars available in 2015 for grant funding. He said the impact of this will push everything in the airport's capital improvement program back to at least 2018 or 2019. The runway extension was dependent on this funding, as well as pavement maintenance and snow plows. He states the 3 million dollars remaining will only be used to match federal grants that the FAA has awarded. A memo from the former director of CDOA is included in the board packet and there is an ongoing investigation into where the money went.

Airport Manager Barth states he did call FAA to get some funds to help with the pavement and was able to convince them to give \$150,000 in entitlement funds for this year, plus borrowing an additional \$150,000 from Sterling or Erie for 2016, giving the airport \$300,000 in funds for pavement rehabilitation. He said the State of Colorado has no choice but to automatically match the grant out of the 3 million dollars. He states the airport will be maintained at a level to keep it safe.

8. 2014 Airport Annual Report

Airport Manager Barth felt the airport had a pretty significant year. He said noise abatement is the big focus. Some projects that were completed in 2014 were the fence installation, hosting the Sister Cities program, the two year process for the rules and regulations, and bringing in two UAV companies to the airport.

1 Airport Manager Barth states the noise complaint log is sent to City Council each year.

Chairman Dolce states the database shows a total of 1,650 total complaints, with about 450 considered "valid" complaints. The complaints are coming from a 50/50 split between city and county residents. The highest level of complaints at 80 percent is for skydiving, with 16 percent for general aviation, 2 percent for helicopters and 2 percent for UAV's/ultra-lights/jets. He said not much has changed from 2013 with one complainer that was significant, probably using maybe an automated system to fill in data coming to the airport. He said some of the high hitters need to be looked at more thoroughly to see if they are technically outliers in the data.

NOTE: Copy of complaint log was not provided in the packet materials or at the meeting.

9. FAA Grant Award

Airport Manager Barth said there is going to be a \$300,000 grant coming to Longmont for pavement rehabilitation in several areas of the airport. The airport fund will provide a match at \$16,667 and the State of Colorado will provide the rest of the matching funds. Airport Manager Barth is asking the board to approve the grants at this time so it can go to City Council as soon as it is ready.

Motion

CHAIRMAN DOLCE MADE A MOTION TO APPROVE THE TWO GRANTS AND FORWARD TO CITY COUNCIL FOR FINAL ACTION. BOARD MEMBER VANZANT SECONDED THE MOTION.

Vote

MOTION CARRIED: 7-0

10. Various Airport Updates

Airport Manager Barth discussed how the board interacts with staff and the community and how board members are to handle themselves.

Council Member Santos gave the instruction on board member's responsibilities and behaviors. He discussed email conversations, attendance of the board members, and what constitutes a

38 meeting.

Assistant City Manager Lewis encouraged the board to call if there are any questions or if they need information. He advised the board if they knowingly violate the rules or regulations of the board, they are personally liable for that and they would no longer be covered under the City's legal process.

Council Member Santos advised the board member that people are always listening.

- 1 Assistant City Manager Lewis informed the board he will be filling in as the interim Airport
- 2 Manager until a new one is named and will work out at the airport two days a week. The Airport
- 3 Manager final interviewing process will be happening Friday, January 16. He hopes an offer can
- 4 be made very soon after the interviews are complete. He said the City is committed to the airport
- 5 and believes it is an economic engine for the community and an important transportation link.
- He states Airport Manager Barth provided him with a list of projects and timelines of airport operations to keep things running smoothly through the transition.

Council Member Santos said the airport is an asset to the city and as a Board; they are trying to make the airport the best it can be. He the City Manager sees the airport as an economic driver for the city and the commitment is there.

Airport Manager Barth states outside legal assistance is coming from Kaplan, Kirsch and Rockwell to assist the city with a host of issues, including the airport rules and regulations to be sure they are compliant. He said Jviation is also looking at the documents and will come back to the airport board.

18 Airport Manager Barth said the 30 year lease amendment is in ongoing discussions.

Airport manager Barth states the fence issues have been taken care of and updated the board on the final walk through. Once final payment is made, the city can work on grant reimbursement.

Suggestion was made by Board Member VanZant to put signs up before getting to the gate and the keyboard consoles; it is dark and sometimes hard to see at night. He said snow is getting pushed into the fence during snow removal.

Final Call – Public Invited to be Heard

Chairman Dolce opened the final call – public invited to be heard.

Jeff Bowman. Mr. Bowman rents one of the hangers on the west side of the airport. Snow removal needs to happen in the area in front of his hanger, he could not get out. When he did get out, he got stuck and it was a dangerous situation. He commented that Elite Aviation does a great job at the airport.

No one else wished to speak.

Chairman Dolce closed the final call public invited to be heard.

Board Comments

 Board Member Wohler commented that he joined the board 20 years ago and at that time the board welcomed the new Airport Manager Tim Barth. He finds it ironic that he was on the board then and 16 years later he is on the board when Airport Manager Barth is leaving. He wished Tim the best of luck in his new job.

Page 9 Board Member DaHarb thanked Tim for all his work at the airport. 1 2 3 Chairman Dolce commented that Tim has done a great job at the airport and wished him luck in 4 his new job. 5 6 **Staff Comments** 7 No staff comments. 8 9 10 **Council Representative Comments** 11 12 Council Member Santos commented Airport Manager Barth has left the airport in good shape. 13 Longmont's loss is Cheyenne's gain. 14 Adjournment 15 16 BOARD MEMBER VANZANT MADE A MOTION TO ADJOURN THE MEETING. 17 BOARD MEMBER DAHARB SECONDED THE MOTION. 18 19 20 <u>Vote</u> 21 22 **MOTION CARRIED: 7-0.** 23 The meeting was adjourned at 8:25 p.m. 24 25 Respectfully submitted, 26 27 28

PHONE: (303)-651-8431 SHAWN LEWIS, INTERIM MANAGER

DATE: February 5, 2011

TO: Airport Advisory Board Members

FROM: Shawn Lewis, Interim Airport Manager

SUBJECT: Update on Selection of a New Airport Manager

Over a two week job posting period, the City of Longmont received nearly 50 applications for Vance Brand Airport Manager. Many of these candidates met the minimum qualifications of the position. As the supervisor of the Airport Manager, I reviewed all applications, narrowing the candidates down to 16. Using the internet-based software application Skype, I interviewed 16 of the most qualified applicants. From that group, I intended to narrow the field to three, but there were six highly-qualified and impressive candidates that were chosen for in person interviews.

The interview panel consisted of AAB Chair Don Dolce, AAB Vice Chair Dale VanZant, AAB City Council Liaison Gabe Santos, Elite Aviation Owner Julie Meyers, Airport Hangar Association President Anita Bragg, Airport Hangar Association Member Marc Arnold (chosen by the Hangar Association Officers), Assistant Finance Director Molly Kostelecky, City Manager Harold Dominguez and me. After five and a half hours of interviews, the group made the difficult (because of so many excellent candidates), but unanimous decision on a finalist. Reference checks were completed and were very positive.

The Airport Fund will pay the selected candidate the mid-point of the salary range, and will assist with relocation costs and short-term temporary housing until the candidate and his family can purchase a home.

On Monday, a press release with the candidate's name will be provided to City Council and each of you just prior to the press release being provided to the media.

Many thanks to the interview panel, City of Longmont Human Resources staff and the City Manager's Office Administrative Assistant Maria Tostado for helping coordinate and select this exceptional candidate.

Staff Recommendation: No Action Needed

SUBJECT: Presentation of Noise Complaint Log & Analysis

The draft 2014 Airport Noise Complaint Log & Analysis is attached. A prior analysis was voluntarily conducted by a member of the Airport Advisory Board. That analysis contained filtering formulas which resulted in the appearance of fewer complaints than the number shown in the "Raw Data" tab of the attached spreadsheet. That prior analysis was sent to former Airport Manager Tim Barth, and subsequently to a member of the public, but was rejected by current City staff on the grounds that it did not accurately portray total complaints received.

The staff of the City of Longmont, as a matter of policy, does not attempt to skew or distort data of any kind for any reason. The noise complaint analysis which contained filtering formulas has been removed from the Airport Manager's electronic information network drive. However, there are circumstances in which the City will invalidate complaints. Examples include multiple complaints on one noise incident from the same person and submitting complaints to the City via an automated/sound-activated computer system.

The attached spreadsheet provides the following information:

- Complaints by source of noise (i.e.: skydiving, UAV, jet, etc.)
- A summary of where complaints came from, either Boulder County, City of Longmont or unknown
- A breakdown of the number of complaints per complainant
- Raw Data including the name and address of the complainant, type of complaint, the previous Airport Manager's response to the complaint, etc.

Once reviewed and accepted by the Airport Advisory Board, a summary of the complaint numbers (along with other information reviewed at last month's AAB meeting in the Airport Annual Report) will be included in the final 2014 Airport Annual Report which will be included in an upcoming City Council agenda packet.

Staff Recommendation: Approve the report as presented

03/23/2014 03/21/2014		Tom Zweck	10901 Airport Road	776-1171	General	H	Skydiving they are just 'following guidelines' in response to my comment about the NEW Mile High Skydiving flight pattern at a LOW elevation over the town of Niwot. In other words, over the past few weeks the planes now make their first loop directly over Niwot. Of course the 2nd loop is also over Niwot but what's new with that QUESTION: What are the guidelines they are following and why are they now flying directly over the most populated area south of the airport? QUESTION: What determines these flight paths? QUESTION: what determines acceptable noise nuisance levels if the noise for the entire flight is audible inside a private home is that acceptable? Just for the record - plane is now on loop #3 and sound is still audible inside home. Noise is audible when engines are started at airport, so basically from start to finish, every single flight, residents are listening to this. Acceptable on what basis? Thanks Cathryn O'Connor

VANCE BRAND AIRPORT

PHONE: (303)-651-8431 SHAWN LEWIS, INTERIM MANAGER

DATE: February 5, 2011

TO: Airport Advisory Board Members

FROM: Shawn Lewis, Interim Airport Manager

SUBJECT: Review and discuss current airport projects and any action in connection

thereto

With the help of AAB members Dan Barry, Don Dolce and Dale VanZant, a project spreadsheet has been created to track current and future airport projects. This spreadsheet is continually changing and being updated. Please send any changes or revisions to me, and I will update the spreadsheet before the meeting on Thursday or any time subsequently.

Current projects included in the spreadsheet:

- 1. Airport rules and regulations
- 2. Elite Aviation Fuel Farm
- 3. Maintenance/snow removal contract
- 4. Perimeter fence project and related signage
- 5. Potential UAS/USA Certificate of Authorization
- 6. Taxiway paving project
- 7. Wi-fi on east end of airport
- 8. Wildlife assessment and management

Staff Recommendation: Discuss the projects and provide staff with guidance as needed.

Vance Brand Airport Project List, Current & Future

CURRENT PROJECTS

Project or Activity	Master Plan Connection	Completed Actions	Next Actions	Point of Contact	Notes
Airport Manager Hiring	N/A	Interviews complete, employment offer signed by City & employee	Employee onboarding, welcome reception	Shawn Lewis, City HR	
Airport Rules and Regulations		AAB motion to approve Aug 14, 2014; sent to aviation consultants (Jviation) for review)	Review by Airport Manager, review by Kaplan & Kirsch (outside legal counsel); final approval by City Council	New Airport Manager, City Attorney's Office	No action will be taken on this item until the new Airport Manager is hired
Elite Aviation Fuel Farm		AAB motion to approve Jan 8 2015; engineering consultants hired, design in process	Finalize design; approve new ground lease	Brian Pickerell, New Airport Manager	
Maintenance/Snow Removal Contract		Current contract reviewed by City staff (expires in April)	Compose RFP to send to potential vendors; release RFP in March	Shawn Lewis/New Airport Manager	
Perimeter Fence (FAA Grant)	Sections 6.2.10, 7.5.5	Fence built	Finalize punchlist, attach signage to gates, closeout project with City and FAA	Shawn Lewis, Don Dolce, Dale VanZant	
Taxiway Pavement Rehab (FAA Grant)	Section 7.5.7, 7.5.8	AAB motion to approve Jan 8, 2015; Consulting engineers hired to design	Finalize design, City Council approval, build project	New Airport Manager	Expect March 2015 Funding
UAS/USA Certificate of Authorization	Advance Longmont Report Recommendation	AAB motion to approve Jan 8, 2015	Complete COA Application, send to Council for approval	New Airport Manager, Skip Miller	Skip Miller will complete COA app per meeting with Shawn 1/26/15

Wi-Fi on East End of Airport	Wi-Fi connection provided by UAS/USA	Have LPC disconnect the repeater cable from the metal box on the inside of the Airport Office Bldg; ask UAS/USA to reconnect their line to repeater line		There is currently free Wi-Fi, but with very limited range. Once the new Wi-Fi network is connected to the City's repeater (in the Airport Office), the signal will be much stronger, serving the east end of the airport
Wildlife Assessment/Management	AAB Motion Jan 8 2015	Send letter from Mayor Coombs to Colorado Division of Aeronautics	New Airport Manager	

FUTURE PROJECTS REQUESTED BY AIRPORT ADVISORY BOARD

Project or Activity	Master Plan Connection	Completed Actions	Next Actions	Point of Contact	Notes
Possible ballot initiative to revise charter limiting leases to 20 years; desire 30 year lease		AAB motion Aug 14, 2014			
New welcome center, restaurant and airport admin offices		Site analysis by City's Special Projects Office and Planning Division (2014); coordination meeting with Elite, Flight Deck Grill and City aministrators (2014)	Research funding opportunities	Julie Meyers, Chad and Dian Rennicke, New Airport Manager
